BABY&BEBe is an infant block toy for babies just starting to play.

Watch them challenge their entire physique and gain achievement as they grow beautifully every day! From any moment, they will begin to shake rattles, build blocks, stand up, walk and run!

BABY&BEBE is an infant block toy for babies just starting to play.

"Start as soon as possible." Raise a child full of curiosity and confidence with toys appropriate for his or her development. Through play, children begin to learn the relationship between objects, shapes and sizes as well as interaction with surrounding people etc.
